Dear Mr. Mintzer:

In response to your September 16, 2013 Request for Information (RFI) letter regarding the Newtown Creek Superfund Site, YRC Inc. dba YRC Freight (YRC) has prepared and is submitting for your review YRC's response to the referenced Request for Information letter as it relates to a property located at 1313 Grand Street, Brooklyn, NY, which was identified as a YRC facility in your RFI letter. A full and thorough search for documents and information was conducted and the attached report prepared by ARCADIS, dated November 18, 2013, presents the findings.

As you will see, YRC was able to find a significant amount of information in response to the questions. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Ruben D. Byerley
